

**SURFBIO** training school

# **WET-DRY METHODOLOGIES FOR STUDYING CELL-SURFACE AND CELL-CELL INTERACTIONS BASED ON SYSTEM BIOLOGY**

Online course

Will take place on November 8th to 12th 2021

From 12:30 to 17:00 CET.

**Monday:** Experimental design, sample preparation and data analysis for genomics

**Tuesday:** Experimental design, sample preparation and data analysis for transcriptomics

**Wednesday:** Experimental design, sample preparation and data analysis for proteomics

**Thursday:** Experimental design, sample preparation and data analysis for metabolomics

**Friday:** Computational biology tools for the analysis of multiOMICS data and FAIR data management
